

V-STYLE PACKING

The V-Style rod packing is specifically designed for sweet, low-pressure production. Featuring a long, reinforced sealing lip, it ensures reliable sealing across all low-pressure applications. It is the preferred choice for light oil production.

PH Range	2-12
Temp	250 F
Max Pressure	2000 PSI
H₂S	2-4%
CO₂	4-8%
Abrasive Resistance	Minimal to Moderate
Material	Nitrile Rubber
Dimensions	2-1/2" OD x (1-1/8", 1-1/4", 1-1/2" or 1-3/4" ID) x 3" Height 2-1/4" OD x (1-1/8", 1-1/4", 1-5/16", 1-3/8" or 1-1/2" ID) x 3" Height
